

8th December, Austria pavilion EXPO 2020 Dubai

HOW TO JOIN US

If you are flying...

Dubai International Airport (DXB) – 40-minute taxi to EXPO Opportunity Gate

Al Maktoum International Airport (DWC) – 20-minute taxi to EXPO Opportunity Gate

Abu Dhabi International Airport (AUH) – 1-hour taxi to EXPO Opportunity Gate

If you are driving...

Closest car park is Opportunity Parking. Once parked, please remember the letter and number of your car park spot and take the shuttle to the Opportunity Gate. Shuttles are free of charge and are available every few minutes. EXPO staff are also available at all times in parking areas and bus stops to help you.

At the entrance...

Once you are at the Opportunity Gate, please contact a member of the Waagner Biro staff who will meet you there, hand you your ticket and escort you to the Austria pavilion.

Please remember you will need to show your pass, as well as proof of vaccination or a negative PCR test done within the previous 72 hours.

If you are not vaccinated...

A negative PCR test will need to be presented to the EXPO staff at the entrance. If you do not have a negative PCR result, you can do a test at the PCR Test Facility drive-thru situated near the World Car Park (just type "PCR test facility EXPO" to find it on Google Maps). Please note the result takes up to 4-6 hours, so we recommend you take this the night before the event. The result will be sent to you via SMS. Remember you will need your passport or Emirates ID to do this test. The facility is open 24/7.
